

Little Rivers Christian Learning Center
Early Intervention Services

PARENTAL CONSENT FORM

This form is for use by parents, service providers and child care programs when a child within a childcare program is receiving individual services at the childcare setting. These services are not provided by an employee of the childcare program. However, the provision of these individual services are externally arranged by the parents with an early intervention agency. In order for these services to take place within the childcare setting, proper consent from all parties is required. The original of this signed form must be kept within the child's records to demonstrate proper consent for provision of such services at the childcare program.

Part A: Service Provider's Understanding

I, (service provider) _____, acknowledge and understand that I will be responsible for the care and safety of (name of child) _____ while I am providing such child services required in accordance to the Individual Family Service Plan (IFSP). I understand that I must adhere to the program's routines while providing services.

Service Provider's Signature: _____

Date: / /

Part B: Parent's Permission

Consent for supervised provision of services, by persons providing services to children within a child care setting. Such services provided are required to be in accordance with the Individual Family Service Plan (IFSP).

I, (parent/guardian) _____, hereby give my consent for the provision of services when such services are in accordance with the Individual Family Service Plan (IFSP).

Legal Name of Child: _____

These services will be provided by (name of provider) _____

I consent to the provision of services for my child with the direct supervision of a Little Rivers Christian Learning Center staff member.

Parent's/Guardian's Signature: _____

Date: / /

Part C: Child Care Program's Signature

I acknowledge the receipt of this consent along with a copy of the child's Individual Family Service Plan (IFSP). The original consent form and copy of the IFSP will be maintained within the child's records, in compliance with the requirements of the Department of Early Education and Care (EEC).

Director's Signature: _____
